

MULTI VITAMINS FOR DOGS

COMPLETE WITH 24 BENEFICIAL NUTRIENTS FOR ALL DOGS

Multi Vitamins for dogs provides the added nutrients, vitamins and antioxidants that are often not found in traditional commercial dog foods.

Formulated with a balance of amino acids, fish oil omegas and B vitamins, **MULTI VITAMINS** chews are designed to help maintain the overall physical well-being of your dog, no matter the size, age or breed. Our **MULTI VITAMINS** is also an excellent addition to homemade and raw diets offering complete daily nutritional support for your dog.

MULTI VITAMINS incorporates over 24 balanced ingredients that are not found in most dog foods or ordinary supplements.

ABOUT THE FORMULA:

- + **Antioxidants** (A, C, E and selenium) to fight free radical damage and support the immune system.
- + A complete stress **B complex** to support mood, memory and cellular metabolism.
- + **Vital minerals** to support proper composition of body fluids, formation of red blood cells, bone structure support, and to help maintain healthy nerve function.
